**KL-0190-55**

For air line Ø: 6, 8, 10, 12, 16mm

**KL-0190-55 - Locking Pliers for Air Lines**

Universally suitable for use on plastic compressed air lines having an external Ø of 6, 8, 10, 12 or 16mm as found on HGVs and buses.

**Field of Application**

The pliers allow plastic compressed air lines to be securely held without any risk of damage, for example, when mounting line connectors/fittings that need to be hammered down into the air brake line.

**Technical Data**

For air line Ø:..... 6, 8, 10, 12, 16mm

Length:..... 280mm

**KL-0190-56**

For air line Ø: 8, 9, 10, 11, 12mm

**KL-0190-56 - Locking Pliers for Air Lines**

Universally suitable for use on plastic compressed air lines having an external Ø of 8, 9, 10, 11 or 12 mm as found on HGVs and buses.

**Field of Application**

The pliers allow plastic compressed air lines to be securely held without any risk of damage, for example, when mounting line connectors/fittings that need to be hammered into the air brake line.

**Technical Data**

For air line Ø:..... 8, 9, 10, 11, 12mm

Length:..... 280mm

**Warnings and Notes**

- Before putting the tool into operation, carry out a visual check to make sure that it is not damaged.
- Always refer to the vehicle manufacturer's data and instructions as only these apply to all work to be carried out on the vehicle.
