PRODUCT DESCRIPTION

R19002676- Fastening clip kit 676 pieces with disassembly lever

Universally suitable for cars, commercial vehicles and vans.

Ideal for repair work on the vehicle, e.g. on door panels, trims, luggage compartment covers, bumpers, etc.

The kit contains a large selection of common fastening clips and expanding rivets, clearly stored in a practical stacking box system. Moreover, self-adhesive foam pads for noise damping of covering pieces as well as clips with cable ties in order to fasten line and cable ducts.

SAFETY INSTRUCTIONS AND REGULATIONS

- Read and understand this product information **before using** the special tool, as it serves to familiarise you with the special tool and thus ensures **safe use**!
- Use the special tool **as intended** and **always** carry out maintenance and repair work in compliance with the regulations on occupational safety and accident prevention as well as the vehicle manufacturer's instructions!
- Before **each** use, check the special tool **carefully** for damage, loose parts, or unauthorised modifications. **Never** use it if you notice any such deficiencies!
- Always** wear your personal protective equipment, e.g. safety goggles, protective gloves, safety shoes, during work if necessary!
- Interrupt your work **immediately** if you are unsure about using the special tool, and contact **GEDORE Automotive GmbH** if necessary!
- Dispose of the special tool and its packaging material in an environmentally compatible way in accordance with the legal requirements. If necessary, ask your local authorities or **GEDORE Automotive GmbH** about environmentally friendly disposal options!
